DETAILED ACTION

Allowable Subject Matter

Claims 10-18 are allowed.

The following is an examiner's statement of reasons for allowance:

As to Claim 10, the prior art of record taken along or in combination, fails to disclose or render obvious an optical unit comprising an optical waveguide and an irradiation lens that irradiates the exciting light and the detecting light guided by the optical waveguide onto a sample, and the detecting means disposed downstream on the channel in the direction of travel of the exciting and the detecting light, in combination with the rest of the limitations of the claim.

As to Claim 11, the prior art of record taken along or in combination, fails to disclose or render obvious an optical unit comprising an optical waveguide and an irradiation lens that irradiates the exciting light and the detecting light guided by the optical waveguide onto a sample, and a channel-formed plate-shaped element disposed between the optical unit and the detecting means and having a channel through which a liquid containing the sample flows, in combination with the rest of the limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
